DETAILED ACTION

Response to Amendment

1. In response to the Office Action mailed 21 January 2009, applicant submitted a response filed 05 June 2009, in which the applicant amended claims 1 and 11 without adding new matter to overcome previous 35 U.S.C. 101 rejections.

Allowable Subject Matter

2. Claims 1, 4-5, 7-8 and 11-19 are allowed. The following is an examiner's statement of reasons for allowance: As per the previous Office Action mailed 21 January 2009, the only remaining rejections were 35 U.S.C. 101 related. After an interview conducted 03 June 2009 with Ashok Tankha, the previous rejections were overcome with amendment to the claims. After an updated search, the available prior art does not teach, either alone or in combination, the claim limitations set forth. The reasons for overcoming the prior art are re-stated below.

Applicant's arguments, see Remarks, filed 03 November 2008, with respect to claims 1 and 11 have been fully considered and are persuasive. The rejections of 25 April 2008 have been withdrawn. See applicants' remarks filed 03 November 2008 for reasons why current claims sufficiently overcome prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
